

# Village of Mettawa

March 25, 2024

Dear Mettawa Resident:

The Village of Mettawa has contracted with Clarke Environmental Mosquito Management, Inc. ("Clarke") to provide misting applications as well as pre-hatch larvicide treatments throughout the Village in an effort to impact the mosquito population this summer. Following a few years with above normal rainfall and our recent mild winter, we feel it is necessary to ramp up our mosquito control efforts for this summer.

In addition, to the treatments along public right of ways, residents along private roads and/or extended driveways within the Village will be allowed to have their private roads and extended driveways treated by the truck mounted sprayer to increase the efficiency of the treatments at no additional cost to the homeowner, subject to a grant of right of entry execution.

**If you did not receive Clarke's service last year** and you wish to participate in the program of treating extended driveways and private roads, please fill out the form below and fax or email to Clarke directly at **(630) 443-3070** or email to **[METTAWA@CLARKE.COM](mailto:METTAWA@CLARKE.COM)**.

**If you were part of the program last year, you do not need to reapply unless you would like to be removed.**

**Grant of Right-of-Entry:**

The "Owner(s)" of property located at (insert street address) \_\_\_\_\_, Mettawa, IL (the "Premises"), subject to authorization by the Village for adult mosquito control applications, hereby grants the Clarke a right-of-entry to enter upon premises for the purpose of proving adult mosquito control.

Date: \_\_\_\_\_

Property Owner: \_\_\_\_\_

Address: \_\_\_\_\_

Home Telephone: \_\_\_\_\_

Cell Phone: \_\_\_\_\_

Email Address: \_\_\_\_\_

Please **Check** Preferred Option(s) to be notified: (  ) Email (  ) Cell Phone (  ) Home phone

Print Name: \_\_\_\_\_

Signature: \_\_\_\_\_

If you choose to take part in the program, you will be notified the day of the application via email or phone. Untreated private roads and driveways due to locked or closed gates will not be retreated.

As an additional benefit, any resident within the Village of Mettawa will receive a **10% discount** on residential mosquito control services provided by Clarke Environmental. If you wish to take advantage to this benefit, please call Clarke at (630) 894-2000 and select Option 4. Remember to mention the **Mettawa discount**.

Please do your part to eliminate any standing water on your property that may provide mosquito breeding habitat. Thank you for your time. Please forward your information to Clarke as soon as possible via email or fax to allow for map development and notification preparation measures.

Sincerely,

Public Works Committee Chairman, *Sweb Smolic*
